

# Selected Subscription Databases Available Onsite at the Library of Congress

July 2018

\* indicates full text content; # audio/visual content

Not included: many foreign language [Asian languages, Russian, Slavic, Hebrew, some other European], legal, business, and music databases; or “CRS only.”

All of these databases are **freely accessible within the reading rooms** of the Library of Congress. There is also **wireless access** via laptops within the reading rooms.

With only minor exceptions **there is no remote access** to these subscription databases.

Databases listed under vendor names (e.g., ProQuest, EBSCO, Gale) after the A – Z alphabetical list are generally not repeated *within* the alphabetical list.

**Database titles printed in boldface** allow citation searching [i.e., you can see if a particular known source has been cited in the footnotes of sources indexed in that database].
